Re: MCBA Community Service Award

Dear Jim,

Congratulations on winning the Community Service Award from the Manatee County Bar Association. It has come really full circle for me as a past Community Service Award winner (I had to get that in, it's not like winning the Heisman Trophy but we past winners need to stick together) and swearing you in as a new attorney and to now seeing you receive this award, it has been quite a journey.

It goes without saying that you are most deserving, your service to the community speaks volumes about your feelings of justice and those less fortunate. We all have or should feel an obligation to "give back" and you certainly have done so, and it is very nice that your peers have seen fit to recognize this.

Sincerely,
