433 8th Avenue West  
Palmetto, FL 34221

Dear Melton:

At Bayshore High School, we value our partnerships with local business and community members. We missed you at our recent business partner breakfast held in the school media center in June.

As part of the celebration, we viewed a slide show featuring students from all the academic departments. We also involved the group in a discussion on how the partnerships can expand for next year which will benefit both the school and the business. At the end of the breakfast, we presented each partner with a framed plaque suitable for displaying.

I look forward to renewing this partnership with you for the 2009-2010 academic year. Together, we will continue to help Bayshore's students learn, dream and achieve.

Sincerely,

Laura Roberts
